demonstration R code for some recurrence over text and other categorical series

```
#
# demonstration R code for some recurrence over text and other categorical series
#
# demo coded by: Rick Dale, cognaction.org/rick/
#
# shared for: Nonlinear ATI Summer, 2016 in Cincinnati, OH
#
# if you are fresh to R (and RStudio) see:
# https://www.datacamp.com/courses/free-introduction-to-r
#
# if you find this code useful we encourage you to cite the crqa library publication:
